Google Chrome

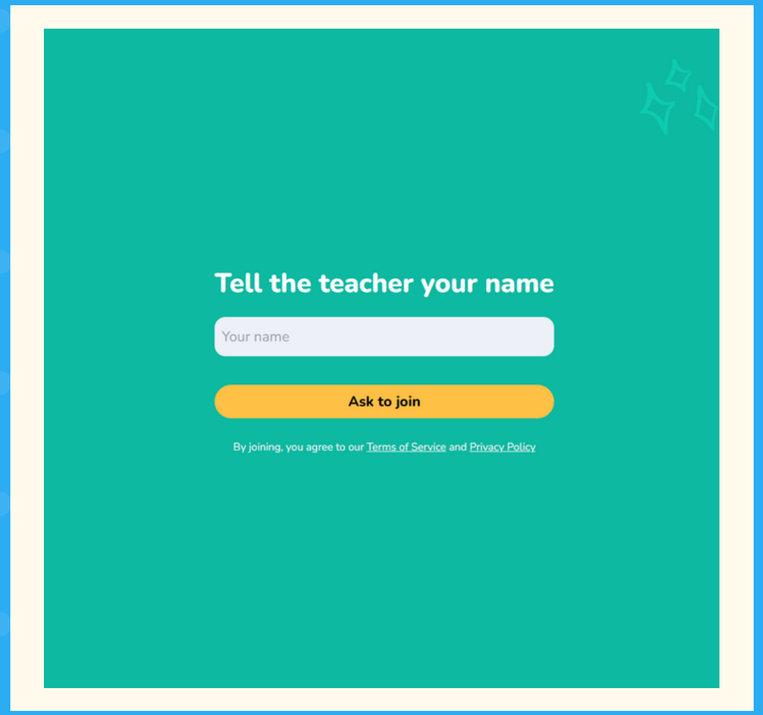
Chromebooks:
Google Chrome

Got everything needed?
Let's get started!

1

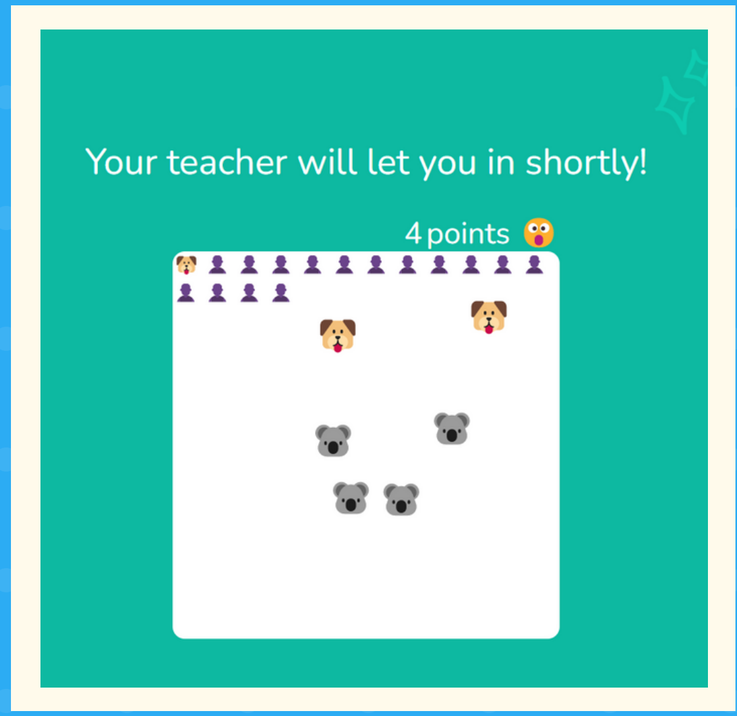
- Your teacher will send you your classroom link.
- Click on that link and/or paste that on your search bar.
- It will then re-direct you to your teacher's Koala Go classroom!

2



Don't forget to type in your name!

3

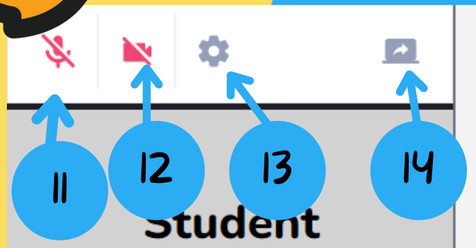


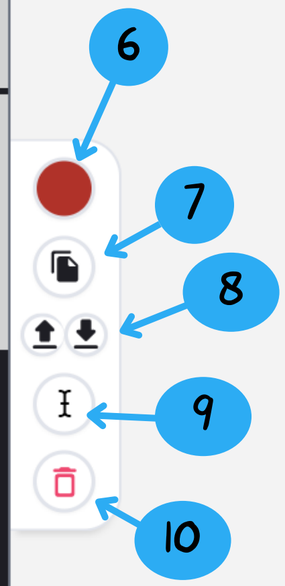
While waiting for your teacher to let you in, how about playing a game? Click on as many animals as you can!

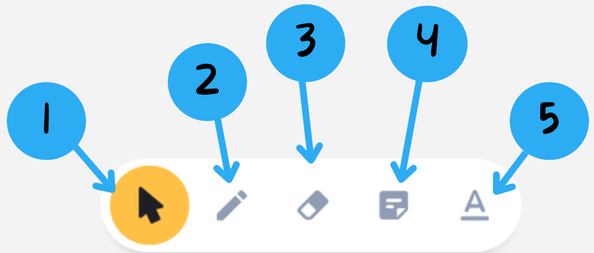
Welcome to your classroom!
Click on the next page to see what the tools are for!

Student

Teacher







1. Cursor: Move a text, photo, or items around the classroom by clicking the first icon shown on the photo above.

2. Pencil: You know what to do! Write and draw whatever you like.

3. Eraser: Make your mistakes disappear!

4. Sticky notes: Insert small messages or important reminders on the whiteboard anywhere you like. It's great for single letters, single words, or numbers.

5. Text box: Too tired to use the pencil to write? You can always use this to type sentences and words.

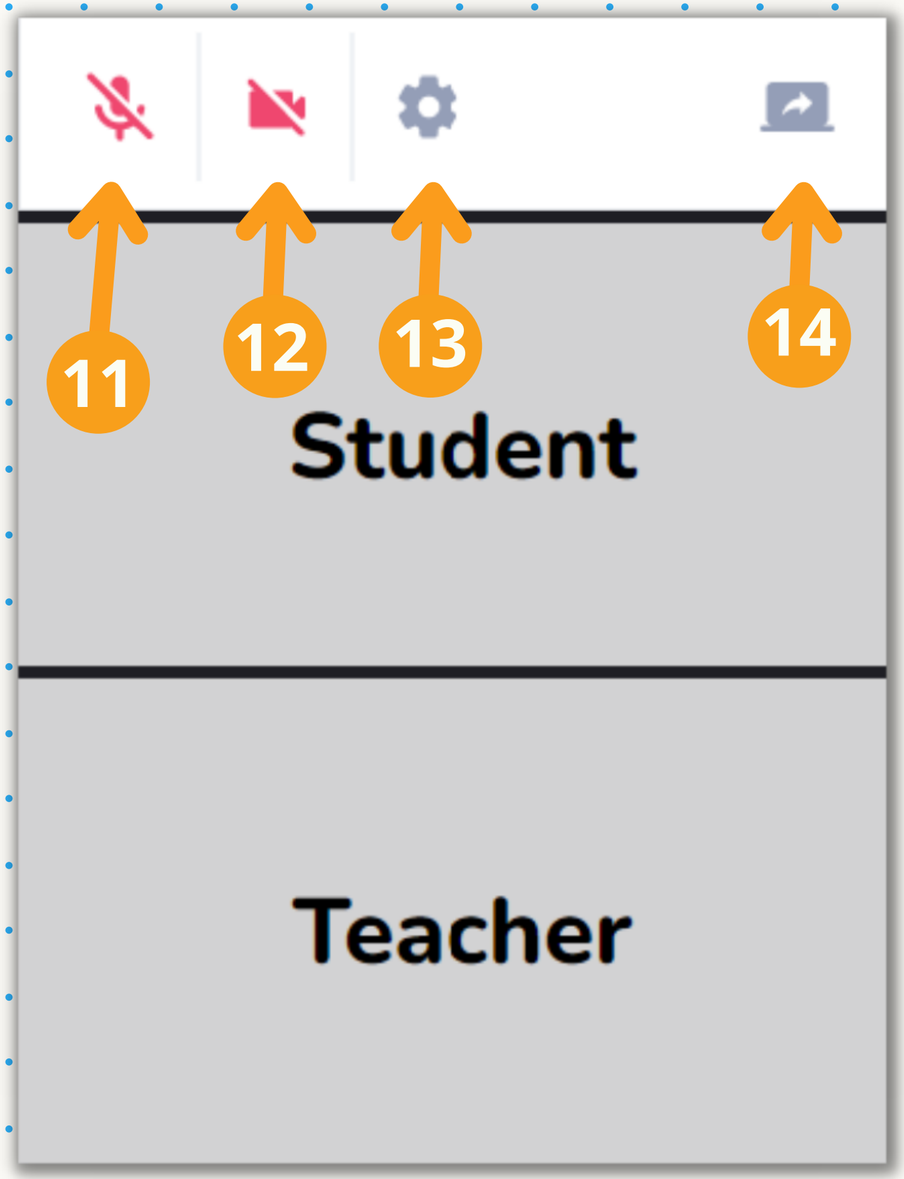
6. Color Palette: This is where you can choose your preferred color for your sticky notes and pencil.

7. Duplicate: You'll be able to replicate anything you place on your activity board with this tool.

8. Bring to Front: Puts an element on activity board in front or overlap other element.
Send to Back: Sends an element on activity board behind another element.

9 Edit: Using this tool, you can add or edit text on your activity board.

10. Delete: Remove unwanted items on your whiteboard.



11. Microphone: When your microphone turns green, it means that it is on.

12. Camera: Turn on your camera by clicking on its icon.

13. Devices: This will help you check out your microphone and camera settings.

14. Share Screen: Click on this so your teacher can see your screen!

Take a sneak peak on our very own playground!
Do a good job and your teacher might let you play in it.
